

WOJCIECH KOBIER

JUNIOR FRONTEND DEVELOPER

ABOUT ME

Junior Frontend Developer with great motivation in learning new things, i want to get my first intership or job in order to get experience and further increase my abilities.

WORK EXPERIENCE

Self-Employed at family bussines

April 2017 - July 2020

My main tasks were to organise the rest of the co-workers, make room for needed equipment a take care of organizational tasks. Learned a lot about work under stress and punctuality.

General Construction Worker

November 2022 - May 2023

Gained experience in all kinds of construction work, Learned to take care of details, and meet deadlines

EDUCATION

Technikum ZSBC w Gliwicach

Technik Geodeta
